CERMONY OPTIONS

Our packages include your choice of ceremony in a historic Savannah square, The Clyde Venue, or coordination of your ceremony at a local church. Your planner takes care of the permitting process involved with city square rentals as well as making sure you have chairs, decorative arbors, flowers, music, and day of coordination!

Some of our favorite ceremony locations include: The Clyde Venue, Pulaski Square, Forsyth Park, St. John's Cathedral, United Methodist Church, and Asbury Memorial Church.

TROLLEY TRANSPORTATION

Whichever location you choose for your ceremony, we make sure that you and your guests arrive on time and in style!

LINENS & RENTALS

Our package includes your choice of color for polyester linens and napkins to decorate your tables. If you have rental needs outside of what we provide in house, we are happy to coordinate these rentals for you. Some examples include a dance floor, extra lighting, and specialty furniture.

FLOWERS

Carefully curated flower proposals are put together using your choice of color pallet and design inspiration. We can do anything from the most simple plan to the most extravagant designs.

DJ

We include Savannah's best DJ's to emcee the evening as well as play all of your favorite songs. If you prefer a band, we can point you in the right direction as well!

DESSERT

We work with local bakeries to provide delicious cake or dessert tables for your guests. Tastings are scheduled to help decide what flavors are perfect for you.

FAQ

How many people does your venue hold?

We can accommodate 180 people fully seated, 250 people cocktail style (60% is seated), or 300 standing room only.

Can we sub in our own vendors in the all-inclusive package?

The beauty of an all-inclusive package is that we handle everything for you! However, we understand that some vendors may be sentimental or preferred. We are flexible on the use of an officiant, cake baker, and DJ.

How much does an all-inclusive package cost?

Pricing varies depending on your guest count, alcohol package, floral package, and ceremony space. We estimate our package pricing to fall anywhere between 20K-42K. To get an exact quote, set up a tour with us today to receive a personalized proposal!

Does your venue have an outdoor space?

We do have a private drive that we convert into an outdoor terrace. This upgrade includes astro turf, privacy fencing, outdoor games, outdoor seating, and an additional bar. It is the perfect cocktail hour space for your guests!

Do you have a bridal suite to get ready in?

Unfortunately, we do not have a private space to get ready in. We can help connect you with our surrounding hotels that offer suites though! We do have a holding room for our bridal parties to sit in 15 min prior to ceremonies taking place at The Clyde.
